One solution across the organization

NICE Actimize

One solution across the organization

Connect your case management platform with the rest of your organization's ecosystem enabling a single, cohesive view of risk. Integrate external/third party data sources to enrich investigations with key pieces of information.

- Ingest alerts from any source
- Enrich investigations with content from your ecosystem
- or the X-Sight Marketplace
- Identify and visualize connections between different
- alerting channels
- Create investigation features that can be used across
- investigative units

About NICE Actimize

NICE Actimize is the largest and broadest provider of financial crime, risk and compliance solutions for regional and global financial institutions, as well as government regulators. Consistently ranked as number one in the space, NICE Actimize experts apply innovative technology to protect institutions and safeguard consumers and investors assets by identifying financial crime, preventing fraud and providing regulatory compliance. The company provides real-time, cross-channel fraud prevention, anti-money laundering detection, and trading surveillance solutions that address such concerns as payment fraud, cybercrime, sanctions monitoring, market abuse, customer due diligence and insider trading.
