

ARE YOU PREPARED FOR REG BI?

What is Reg BI? How will it affect your firm? And what can you do to get ready?

NICE Actimize has the answers you need to prepare for Regulation Best Interest.

What is Reg BI?

The biggest change to suitability regulations in 20 years, Regulation Best Interest ("Regulation BI" or "Reg BI") fundamentally alters the investor protection process. Scheduled to take full effect on June 30, 2020, Reg Bl imposes four key obligations on broker-dealers to ensure broker-dealers act in the "best interest" of their retail customers:

A disclosure obligation

A conflict of interest obligation

A compliance obligation

exercising diligence (care) in making investment recommendations in line with each client's best interest, and maintaining and enforcing compliance procedures.

This includes providing timely disclosures to retail clients,

Reg Bl's impact is far reaching.

What Will Reg Blattect?

Approximately The entire broker-

in the United States Over 150 thousand

It will affect:

dealer industry

OTC Equities

A combined OTC

4,000 firms

transactions every day

over \$1 billion dollars Approximately 11.68 billion shares daily

How Can You Prepare?

Equities volume of
