

DRIVING FORWARD WITH X-SIGHT

Journey to the Cloud

It's a balancing act

We pick and choose apps to make our lives easier every day. What if we could enjoy that same choice in fighting financial crime?

Financial crime industry teams need a full view of entity risk, all in one place, to show the customer lifecycle across accounts and events.

Break down silos
with a best-of-breed approach

Break the limits with X-Sight

With the first financial crime platform-as-a-service, finally your team has choices:

-  Choice in **DATA**
-  Choice in **ANALYTICS**
-  Choice in **SERVICE**

Integrate third-party elements and services

Bring your own analytics or build them

Connect the dots from data sources

A new level of agility

A move to the cloud means there's no need to replace technology as soon as it's outdated. Instead, your technology can adapt with the cloud, creating agility in innovation.

THE FUTURE STATE OF FINANCIAL CRIME AND COMPLIANCE BEGINS TODAY

With X-Sight, build your own data-driven machine learning models with just a few clicks, or opt for a fully managed machine learning analytics-as-a-service solution.

Either way, X-Sight complements your on-premise solutions for a total view of customer risk.

Transform your portfolio with X-Sight: The possibilities are endless.
