November 19-20, 2019

Marriott Marquis | PlayStation Theater

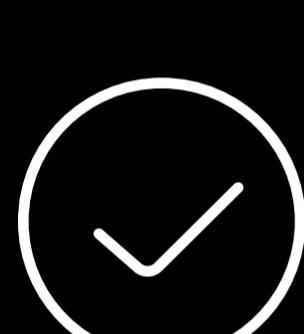

Stay ahead of lightning fast change in financial crime

Join us in New York City for this year's largest client conference – now with **Product User Groups!**

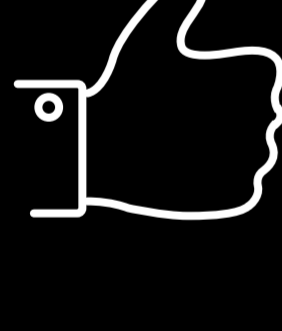

What you'll experience

- Inspiring keynotes and presentations
- Insightful client and expert perspectives
- Live demos highlighting next-generation financial crime fighting
- Networking with 500+ industry peers

Walk away with thought-provoking insights and updates on:

- Financial crime and compliance trends
- NICE Actimize product strategy and roadmaps
- Autonomous financial crime management
- AI, analytics and machine learning
- Industry best practices and client case studies

What last year's attendees said

The presenters were great! Very informative both on NICE product vision and the industry!

Loved the interaction and speakers' expertise!

Another great event - The caliber of the speakers every year is impressive!

Registration is open ... so why wait?

Take your next step – or your first step – in staying ahead of the dynamic, fast-moving financial crime curve
