

# GLOBAL INVESTMENT BANK LOWERS COSTS & RISK THROUGH SMART CONSOLIDATION

## ABOUT THE BANK

Multinational financial institution with securities and asset and wealth management products and services

## BUSINESS NEED

Lack of oversight and process controls across compliance

Inability to consolidate compliance investigations into single solution

Need to lower overall costs associated with compliance investigations

## THE SOLUTION

Actimize Enterprise Risk Case Manager (ERCM) enhances insight & oversight, centralizing & correlating enterprise data

## THE IMPACT

Consolidated 12 alerting systems into single investigation & intelligence solution

Lowered risk with broader cross-LOB monitoring capabilities

Reduced annual IT costs by 40% (licenses, hardware decommissioning & support staff)
